This Retail Workshop was designed for our customers to gain a better understanding on how to market Schluter products in an increasingly competitive market.

Along with that, this Workshop is intended to help you become more efficient at the following:

- Basic selling techniques of Schluter product lines
- How to use the Schluter tools to make figuring your projects easier
- How to estimate a space for DITRA-HEAT
- Gain Estimation skills to increase conformability with creating complete itemized Schluter product quotes
