Ape – We will be stocking 6 new series from Ape later this summer: Acquarella, Hefesto, Lautia, Magnetism, Manacor, and Pim Pam Pum. These additions will bring metallic finishes, 3-d decorative tile, and more to our already extensive lineup from Ape. A tabletop display is in production for these series. In

addition to the new products, you will notice a price reduction on most existing products on this pricelist.

Fiandre – This new Fiandre pricelist includes price adjustments on all products.

Mediterranea – Loom and Urban Loft have been added to the Mediterranea pricelist. Loom is a glazed porcelain available in six colors with muted graphics that resemble fine fabrics. Urban Loft was inspired by the reverse side of vintage Roman Travertine, showcasing rough saw marks, unique color variations and movement. This pricelist includes price adjustments on all products.

Metropolitan – In response to customer demand, Metropolitan Ceramics has reintroduced one of their most popular colors, Buckskin, in both the Ironspot series and XA Abrasive series. Additionally, they have added an 8” x 8” size option to all three colors in the Ironspot series. Products in this new pricelist received a slight price increase.

Milestone – Two new series have been added to the Milestone pricelist. Imprint is a designer inspired interpretation of the natural beauty of clay in different forms. Earthy colors, patterns from soft to bold, and a porcelain body in a variety of thicknesses and sizes, make this versatile series flow seamlessly from indoor to outdoor spaces creating a harmonious flow

throughout. Net Zero is Milestones latest Carbon Neutral introduction. This modern slate look is available in five colors and offers a neutral canvas for both residential and commercial projects. The full crate requirement has been removed from all nonstock large panel porcelain series, including Ecostone and Farmhouse Living. This pricelist also introduces Milestone’s newest size, 32” x 96” 12mm slab. This size is perfect for shower surrounds, tabletops, and countertops and is available with a prefab sharknose edge. You will find this size available in Ecostone, Farmhouse Living, Imprint, and Jem. Price adjustments are included on most products.

Natural Stone – Natural Stone has added tumbled marble in 6 colors in both 3” x 12” and 8” x 8”. Central Park 2.0 is now available in 4 glossy and 1 matte color in a 3.5” x 12”. This pricelist includes price adjustments on all products.

Tileware – We are adding a new product line from Tileware called Boundless. This collection of coordinating shower components offers corner shelves, niches, curbs and seats. A highlight from this collection includes the Boundless Niches. These solid surface niche trim kits simplify shower niche installation by offering pre-cut sides, flush or overhang bottom shelves, and custom options. All products in this series are made in the USA and available in four matte finish colors to coordinate with a wide variety of colors and textures. They have a nonporous antimicrobial surface and are stain and UV resistant. You can download the Boundless product guide from our website to find out more about these new products. <https://www.conestogatile.com/wp-content/uploads/2024/07/Boundless-Product-Guide.pdf>
