Florida Tile – This latest Florida Tile pricelist features an exciting array of new products that blend innovation, style, and functionality. At the forefront is Comfort, a 10” x 60” wood-look tile that combines the beauty of natural wood with the practicality of porcelain. Its extended plank design makes it an excellent choice for creating seamless, expansive spaces full of warmth and character.

Also included is Bellanova, a summer introduction that brings rustic charm with its 8” x 48” wood-look design. Bellanova stands out with a unique 1” x 48” mosaic option, ideal for wrapping curved surfaces, offering both aesthetic versatility and functional benefits.

For those seeking the epitome of elegance, the Indulge series is a true highlight. This luxurious marble-look collection comes in six stunning colors, each replicating the beauty of premium marble varieties. Beyond the traditional 12” x 24” and 24” x 48” formats, Indulge offers creative options like a 4” x 21” chevron available in matte and polished finishes. It also features unique circle mosaics and a mixed mosaic design, giving designers endless possibilities to craft truly unique spaces.

Jeffrey Court – This new Jeffrey Court pricelist includes a price adjustment on a small portion of their product portfolio. The price increases primarily affect selected items within Chapter 5 Modern Mixer

and Pool by Jeffrey Court, two lines celebrated for their modern aesthetics and functionality.

In addition to these updates, Jeffrey Court has expanded its offerings in Chapter 15, their all-white, natural stone collection, with a variety of stunning new additions introduced this past September. These additions include four new mosaic designs, ranging from traditional to contemporary styles, offering elegance and the impeccable craftsmanship you expect from Jeffrey Court.

Among the highlights of this update is the new 6” x 18” fluted field tile. This beautifully textured tile adds depth and refinement, making it an ideal choice for enhancing walls, backsplashes, and other surfaces. Its understated elegance provides a versatile solution for both residential and commercial projects.

The lineup also features two new drawn stone patterns, Parisian Revival and Scottish Chapel. These additions bring a unique handcrafted look, exuding character and sophistication. Whether you're aiming for timeless charm or modern flair, these patterns provide an array of design possibilities to elevate any space.

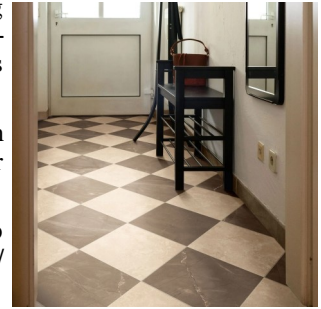

Marble Sills – Due to rising costs in labor, production, energy, and raw materials, most products in the Marble Sills pricelist will see a slight price increase. This adjustment ensures we continue to deliver the premium quality and craftsmanship you’ve come to expect.
