MAGNETISM

Magnetism by Carmen True Tiles is one of the new additions to our small format brand. As its name suggests, this collection is magnetic and attracts with its decorative aspect and versatility. Thanks to its attraction power, it is able to captivate anyone looking for something special and different to decorate their spaces.

This series is a unique blend of Cotto and Metal inspiration that has very interesting reflections and is full of nuances. Its color palette is composed of blue and brown shades, which bring sobriety and sophistication and on the other hand, white and gray colors that bring elegance and purity to any surface.
